

DEFENDING YOUR BOTTOM LINE

3 Alarm Bug Tag

Security beyond boundaries

Specifically designed to help you lose less and sell more, Alpha's 3 Alarm Bug Tag secures hard-to-protect display merchandise.

For display merchandise, Bug Tags create secure and customer-friendly displays for maximum customer interaction.

Designed with Alpha's exclusive 3 Alarm technology to protect your merchandise three ways:

1

Early Detection:
Alarms when merchandise is tampered with in store

2

EAS Protection:
Activates EAS alarm if a breach occurs

3

Extended Range:
Self alarms if merchandise is removed from the store

- Easy to apply and remove
- Tough, secure and reusable
- Maximizes display opportunities
- One-of-a-kind industry first
- Strong visual deterrent (with 3 Alarm - 95 DbA and flashing LED light)

Suggested Applications:

Plasma/LCD TVs, Computers
