# KEEPERS

**A**s the world's leading supplier of Keepers/Safers, Alpha provides the broadest, most comprehensive line of protection in the industry. Alpha Keepers are made from a clear, durable polycarbonate which allows full visibility of package graphics. The patented magnetic lock, used to keep your merchandise ultra secure, is quick and easy to open which keeps checkout lines moving smoothly.

Below are just a few of the reasons Alpha Keepers are part of the best line of Keepers/Safers in the world.

- Security of locked cabinets with the benefits of open merchandising
- Easy to apply & remove
- Clear viewing of package and product information - bar code readable
- Durable & reusable
- Strong visual deterrent to theft
- SwivelTab and Hang Tab compatible

A select number of Alpha Keepers include special features to accommodate unique merchandising needs. Below is an explanation of each of the notations you will find in this catalog. Look for these notations under the alpha-numeric order code in the "Order Code" column.

\*slotted top design

Includes a 1/16" slot to accommodate packages with extended header cards

\*Benefit/Denial

Keeper is available with claw teeth that destroy the package graphics if the Keeper is forcibly opened

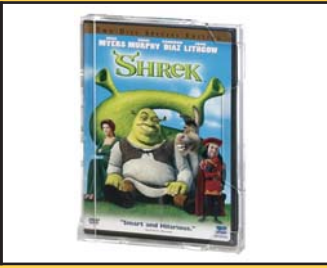

\*window on both sides  
^window on front side

Allows price labels to be changed without removing product from Keeper

**3Alarm™**  
Another Alpha Innovation

Incorporates Alpha's patented 3 alarm technology, providing you three levels of high-shrink protection. See Page 8 for more details.
