

a new line of hard tags

Extreme Multi Tag

When ordinary solutions are not enough and you need to take tough measures to reduce shrink, look to Alpha for the most innovative solutions in apparel and accessory security.

The Multi Tag's two pin design puts the clamp on hard-to-tag merchandise. Perfect for lingerie and accessories.

STYLE | Alpha's sleek fashion-forward design compliments high-end apparel while the unified look of the entire Extreme Tag line provides merchandising continuity.

PERFORMANCE | Alpha's exclusive Extreme Ball Clutch incorporates a three ball design and high tensile strength coil. Non-slip rubber grip pin ensures merchandise protection.

SUGGESTED APPLICATIONS | Bras, watches, lingerie, sunglasses & eyewear, swimsuits, spaghetti strap camisoles and formal attire.

INNOVATIVE TECHNOLOGY | Alpha's XT Technology delivers results. The new high integrity ball clutch is tough to defeat, exceeding industry benchmarks. Our tag portfolio is designed to perform to the highest quality standards and EAS specifications to ensure that your loss prevention targets are achieved.
