Our security **solutions** allow you to **open display** with **confidence**.

Computer software continues to be at the top of the list of high-shrink items. It's no wonder many retailers lock their computer software behind glass doors.

Alpha has the most complete line of security products designed to allow you to open display your computer software with confidence. **Alpha Keepers and Secure Hooks** continue to provide retailers the ease of use, customer accessibility and security they need.

Alpha offers a full range of solutions for **Windows Vista** Protection.
